ORDINANCE NO. **19-06-14**

AN ORDINANCE PROVIDING APPROPRIATIONS FOR THE FISCAL YEAR BEGINNING JULY 1, 2019 AND ENDING JUNE 30, 2020 FOR BERKELEY COUNTY; TO PROVIDE FOR LEVY OF TAXES ON ALL TAXABLE PROPERTY IN BERKELEY COUNTY FOR ALL COUNTY PURPOSES; TO PROVIDE FOR THE EXPENDITURES OF SAID TAXES AND OTHER REVENUES COMING INTO THE COUNTY FOR THE FISCAL YEAR

BE IT ENACTED:

SECTION I.

According to Section 4-9-30 of the Code of Laws of South Carolina, 1976, as amended, it is within the authority of the County Council of Berkeley County to make appropriations and to levy tax for the support thereof.

SECTION II.

It is the purpose and objective of the County Council in the enactment of this Ordinance to provide for the basic functions of the County Government and to strive to meet the needs of a growing County. The County Council in developing the Budget contained herein has sought to provide the needed services on a priority basis, at the same time remembering that it has an obligation to the citizens of Berkeley County to maintain an effective and economically operated government.

SECTION III.

The County Auditor is hereby authorized, empowered, directed, and required to levy upon all taxable property in Berkeley County for the fiscal year beginning July 1, 2019, and ending June 30, 2020, after taking into consideration all other revenue anticipated to accrue to Berkeley County during said fiscal year not earmarked for specific purposes, a tax not to exceed the following: 45.0 mills for county operation, 1.0 mill for Cypress Gardens and 4.5 mills for bond debt service to raise a sufficient tax of money to pay the appropriations for the Berkeley County Budget made herein for said fiscal year. In addition, the County Auditor is hereby authorized, empowered and directed to levy a tax not to exceed 3.5 mills to provide funding for the Trident Technical College.

SECTION IV.

There are herein projected for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following revenues as set forth in Exhibit "A" attached hereto and made a part hereof by this reference.

There is hereby appropriated for the fiscal year beginning July 1, 2019, and ending June 30, 2020, the following sums of money in the amounts and for the purposes set forth in Exhibit "B" attached hereto and made a part hereof by this reference.

Exhibits A and B referenced within this section shall collectively be referred to as the "Budget Book". All of the appropriations referenced in the Budget Book shall be the maximum amounts allowed. Organizational units shall not disburse funds unless specifically appropriated in the Budget Book.

The anticipated revenues accruing to all funds shall be stated in the Budget Book. Should actual funding sources for any such fund be less than projected, the County Supervisor, or his designated representative, shall reduce budgeted disbursements attributable to the fund. Should actual funding sources be greater than projected in this Ordinance those funds shall be transferred to the general fund unless directed otherwise by Resolution of County Council.

SECTION V.

Organizational units are bound to the appropriated disbursements as defined in this section and delineated in the Budget Book.

For donations or contributions from third-parties or private sources, not contemplated or included in the Budget Book, a budget neutral addition shall be made to the appropriate organizational unit's revenue line item and appropriations object code. The organizational unit shall be bound by the specific purpose or restriction of the contribution.

County Council may, by Resolution, effect transfers from County Council's contingency account(s) to organizational units.

SECTION VI.

Any entity ("Receiving Entity") for whom funds are appropriated in Exhibit "B" shall not deviate from approved budgets and funds will not be expended for unauthorized expenditures. There may be a quarterly review by Council of the budget of the Receiving Entity, and each Receiving Entity shall provide data, reports, statistics, and any other information as may be requested by Council. Failure to do so may result in the immediate withholding of funds at the discretion of County Council. All boards and commissions established by County Council shall provide to County Council upon request an action report/summary of the meetings of such boards and commissions. All Receiving Entities are required to fully conform to the accounting, purchasing, and personnel policies of the County.

SECTION VII.

All expenditures for travel, including mileage, must be substantiated with proper documentation as determined by the Finance Department. It shall be unlawful for any department or employee to submit a claim for reimbursement in excess of actual miles traveled.

SECTION VIII.

Any funds budgeted for personnel that are not expended by the end of the fiscal year shall revert to the fund balance, from which the personnel savings are derived in. Likewise, expenditures of additional funds for salary or personnel shall be funded from the fund balance of the respective fund, unless another funding source exists, and approved by County Council. The Finance Director or designee, in conjunction with the Human Resources Department shall disclose the cost of a personnel request, to include benefits, prior to final approval by Council.

No new position may be established or funded without the approval of County Council. Further, no transfers, or expenditures may be made from personnel line items or object codes without the approval of County Council.

Funds for temporary employment may be expended from existing personnel budgets upon approval of the Human Resources Director or designee throughout the year.

SECTION IX.

The Treasurer's office will provide monthly reports to Council indicating source and amounts of revenue accruing to the County. Any income accrued from investments will go into the County's General Fund, unless mandated by Federal or State law, contract, or other binding agreement.

SECTION X.

As provided by Section 4-9-150 of the Code of Laws of South Carolina 1976, as amended, the Council shall provide for an independent annual audit of all financial records and transactions of the County and any entity funded, in whole or in part, by County funds and may provide for more frequent audits as it deems necessary. Final audit reports shall be made available for public inspection. All entities that accept funds, in whole or in part, appropriated by Berkeley County Council through this budget shall cooperate fully as may be deemed necessary by the auditor conducting any audit hereunder.

SECTION XI.

Funds allocated to individual Rural Volunteer Fire Departments shall be in the form of, at least, annual disbursements and shall only be used for the purpose of providing fire protection and suppression services to the community in which each fire department has service responsibilities. The Rural Volunteer Fire Departments may be requested by Council to provide data, reports, statistics and other information. Failure to do so may result in the withholding of

funds until such data, reports, statistics and other information have been provided, at the discretion of County Council.

SECTION XII.

County Council must approve requests for all unbudgeted non-operating expenditures before the purchase is made. No expenditure from the fund balance of the general fund shall be made without approval of County Council or as otherwise permitted by this ordinance.

SECTION XIII.

All vehicles acquired by the County, from whatever source, must be approved by County Council before they are added to the County's insurance policy and before any operation or use occurs. All vehicles replaced by a purchase of a new vehicle shall be disposed of unless otherwise provided for continued use by County Council. Such continued use and designation of using agency or department shall be at the discretion of County Council.

SECTION XIV.

Subject to the other provisions herein:

- (1) Berkeley County Council may transfer by Resolution funds or any portion thereof from any department, activity, or purpose to another department, activity or purpose.
- (2) Transfers up to Ten Thousand and no/100 (\$10,000.00) Dollars per occurrence and request or transfers of 10% of the department operating budget, whichever is less, in the operating budget may be transferred by action of the Supervisor or his designee except where County Council has previously approved a supplementation for a line item from the general fund.
- (3) Transfers up to Twenty-Five Thousand and no/100 (\$25,000) Dollars per occurrence from the fund balance of the general fund may be authorized by the action of the Supervisor or designee for emergency purposes. The Supervisor shall advise Berkeley County Council of all necessary transfers made pursuant to this section at the next regularly scheduled Council meeting.
- (4) Transfers may not be made between personnel or capital line items without Council approval.
- (5) Any surplus in approved funding remaining after an approved expenditure is made from a non-operating expense fund must be transferred to a contingency account of the non-operating expense fund. Any expenditure of funds in the contingency account must be approved by the County Supervisor. Any expenditure of funds in excess of \$10,000.00 in the contingency account must also be approved by County Council. Any funds remaining in the contingency

account at the end of the fiscal year shall automatically be transferred to the fund balance of the non-operating expense fund.

- (6) An organizational unit may not substitute a different item than that which was originally budgeted in the non-operating expense fund without prior approval of the County Supervisor.

SECTION XVI.

No employee, agent, board, commission, or elected official shall establish any checking or other bank account, or any line of credit, in the name of Berkeley County and/or using Berkeley County's federal identification number without prior approval of the County Council. Such accounts must contain "Berkeley County" in the name of the account in addition to any other account descriptions that are necessary.

SECTION XVII.

County Council must approve the acceptance of grant funds or funds provided to County programs from other agencies and organizations. In addition, Council must approve the addition of any grant-funded position. To the extent possible, grants shall be incorporated into the annual budget process.

The Finance Office shall be notified of any donation, grant or contribution, including but not limited to equipment, cash, real property or personal property, received by all County departments, elected officials, boards, or commissions.

Grant funds received after the beginning of the budget year, and not identified in the Budget Ordinance, shall be placed in the necessary fund identified by County Council in the Resolution authorizing the acceptance of the grant funds. These funds shall be immediately available for expenditure without an amendment to the budget ordinance; however, these grant funds should be listed in the budget reconciliation.

SECTION XVIII.

No County funds shall be expended for legal counsel unless prior approval is obtained from the County Attorney or prior approval is obtained by a simple majority vote of County Council.

SECTION XIX.

If any clause, phrase, sentence, paragraph, appropriation or section of this Ordinance shall be held invalid, it shall not affect the validity of this Ordinance or the remaining phrases, clauses, sentences, paragraphs, appropriations, or sections.
