

Application Process:

1. Complete the Request for Road Improvement Form

2. Gather Signatures from Property Owners

This is a vital step in making sure all homeowners are in agreement to have the road paved.

3. Submit the Completed Form

Return the fully completed form, including petition (if applicable), to the following address:

County Engineer

Berkeley County Government
Post Office Box 6122
Moncks Corner, SC 29461

4. Evaluation and Next Steps

Once your form is received, the road will be added to the list to be evaluated. After evaluation process and if funding is available, the County will contact you with further details.

Please note: This is a lengthy process, and it does not guarantee that your road will be paved.

Application Requirements:

For the successful completion of this project, Berkeley County requires certain easements and rights-of-way. These are essential for constructing and maintaining the improvements on your road.
