

Preliminary Subdivision and Infrastructure Construction Plans (PLPR) and certain *Final Plat (PLFP) submittals that are contained in a Development Agreement adopted prior to December 14, 2020 require review at TRC (*initial submittals and major revisions only).

All meetings will begin at 1:30pm via Video/Audio Conference on the second Wednesday of each month unless otherwise noted. Any changes to meeting times will be posted as early as possible outside the Planning Department.

To be placed on a regularly-scheduled TRC meeting agenda, a complete submittal package must be received by the deadline provided below. Applicants are encouraged to submit their [Development Review Application](#) at least two (2) business days ahead of the close of the intended submittal period so that all materials necessary for review can be uploaded in the [E-Review Portal](#) by the required deadline. Please refer to the submittal instructions provided by the Plan Case Administrative Specialist at the time of application submittal and available on the [Development Review Services](#) website. **Special called meeting dates available for customers who pursue Expedited Review Services for qualifying submittals.*

If there are any questions regarding the meetings listed below or submittal process, please contact the Planning and Zoning Department at 843.719.4095.
